The Henry S. Miller Commercial Houston Corporate Services Division utilizes the full range and diversity of our specializations within the company to providing strategic, value-added solutions to often complex commercial real estate problems. On a national and international scale, Henry S. Miller Corporate Services provides creative solutions and analyses for real estate strategies and effective transaction process management. Our focus is to guide individuals, corporations and institutions in how to maximize real estate in achieving their business objectives and enhancing value to their bottom line. We offer the following Value Added Services:

- Tenant Representation
- Acquisitions
- Dispositions
- Construction Management
- Consulting & Appraisal
- Site Selection
- Market Studies
- Financial Analysis
- Economic Incentive Procurement
- Lease Portfolio Administration
- Development / Build to Suit
